BASIC WEB DESIGN PACKAGE

WELCOME TO SF AMITY

DIGITAL SERVICES

Your Essential Website Building

We believe in simplicity, clarity, and functionality. Our Basic Website Plan includes the foundational pages every professional website needs. Here's what's included

PAGES INCLUDED:

Elevate Your Brand Reputation

1. Homepage
2. About Us page
3. Services/Products/Gallery page
4. Contact page
5. Privacy Policy & Terms of Services page

HOMEPAGE

Your Virtual Storefront

The homepage is the first thing visitors see. It needs to grab attention and guide people to what they're looking for.

Homepage usually contains:

- Company headline
- Brief and clear introduction on services
- Eye-catching visuals or banner
- Quick navigation to other pages

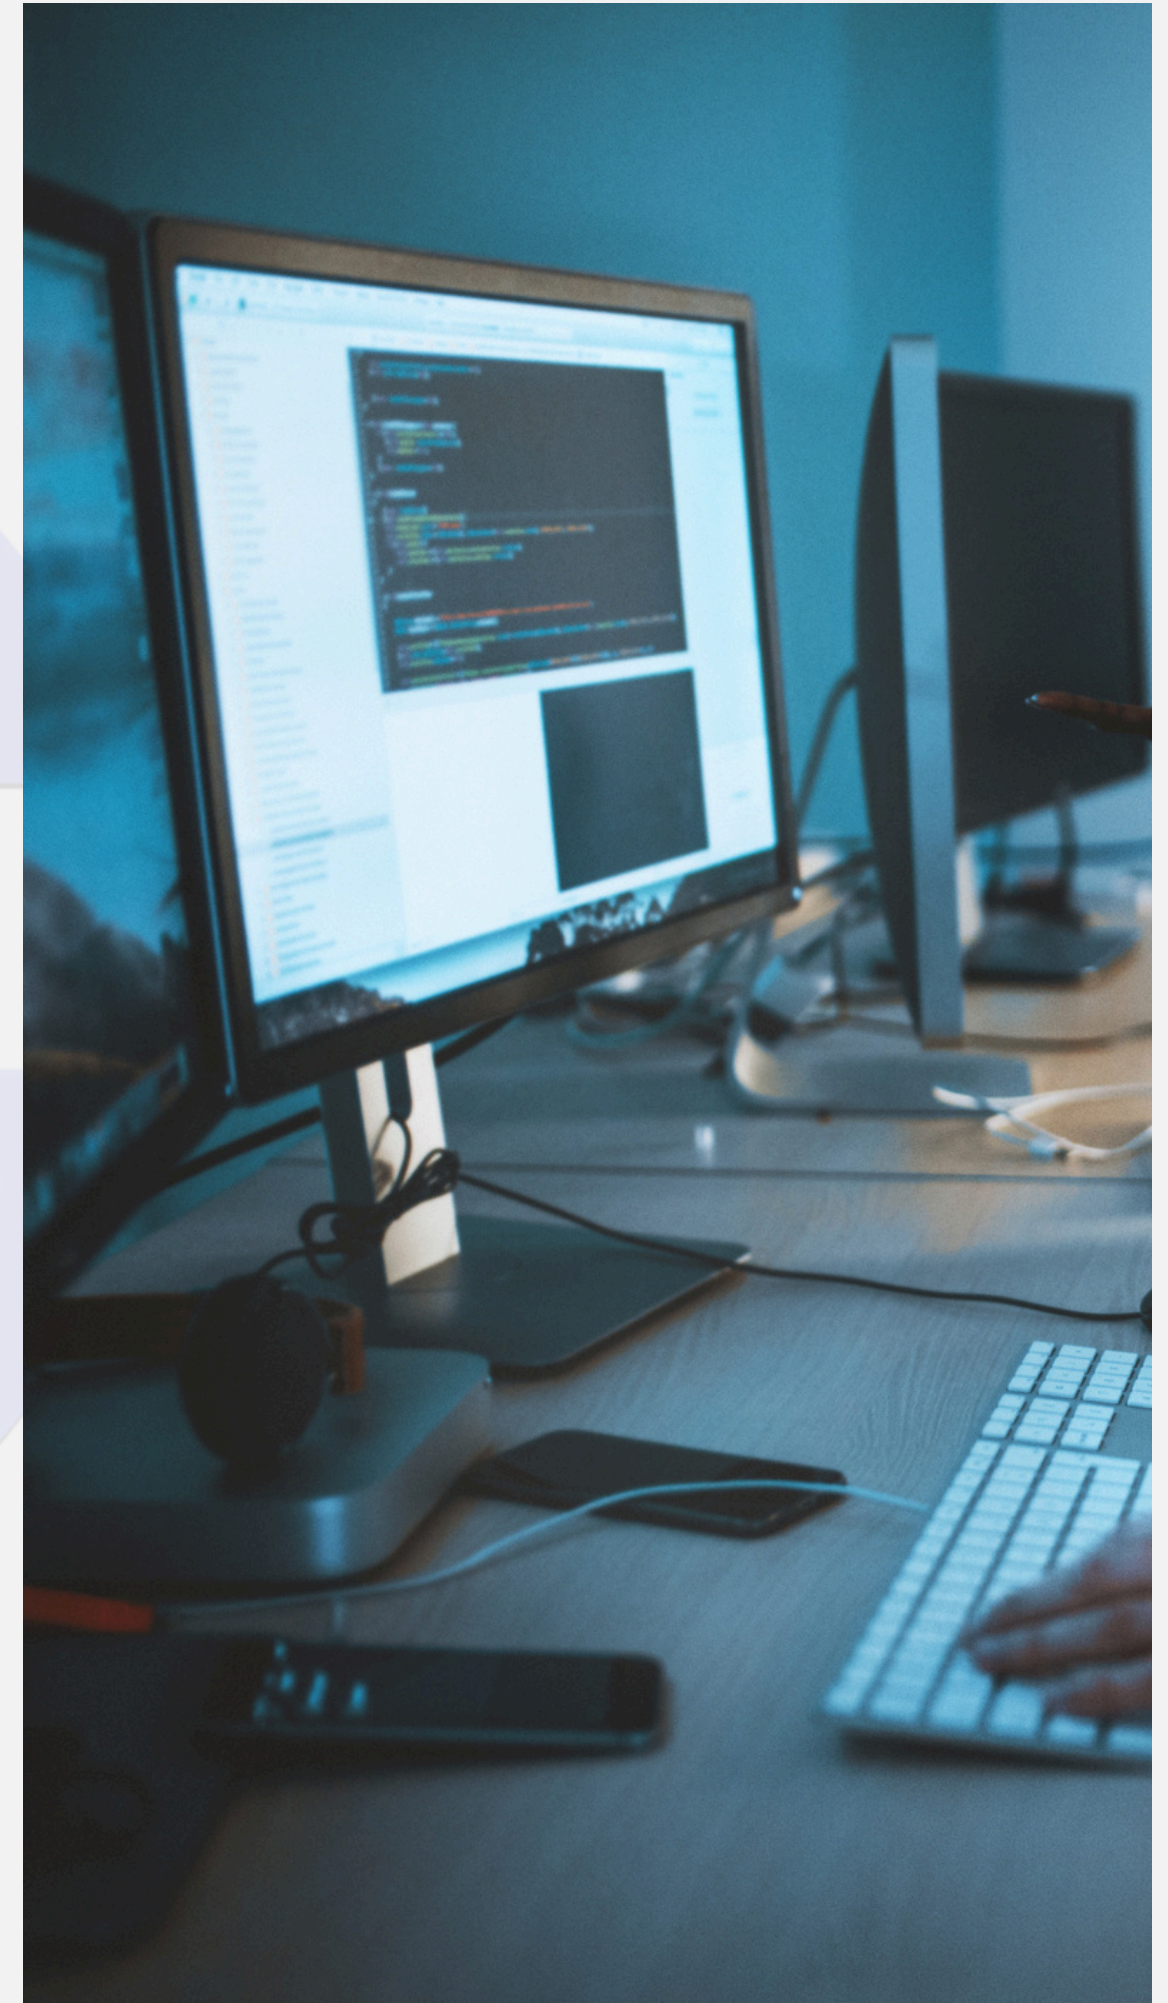

ABOUT US PAGE

Tell your story.

This is where you share your story and build trust with your visitors.

About Us page usually contains:

- Company profile or background
- Mission, vision, values
- Optional:
 - Key achievements
 - Team member introduction

SERVICES/PRODUCTS PAGE

What you offer.

Showcase what you do or sell in a way that's easy to understand

Services/Products page usually contains:

- List of services/products that you offer
- Clear description with visuals like images, videos, and icons
- Pricing or quotation

CONTACT PAGE

Make it simple for people to get in touch with you

Stay connected.

Contact page usually contains:

- Phone number & email address
- Contact form
- Optional:
 - Social media links

PRIVACY POLICY AND TERMS OF SERVICE PAGE

Transparency matters.

Be transparent about how you handle user data and set rules for using your website.

Privacy Policy and Terms of Service page usually contains:

- Information about how you collect and use data.
- User rights and responsibilities
- Optional:
 - Terms of purchase, refund, or return

No need to worry, we will generate the policy for you!

YOUR WEBSITE, YOUR WAY

Every business is unique, and so are its website needs. If you have specific requests or ideas, we're here to bring them to life! Let's work together to create a website that perfectly suits your business
